Moment of Silence to Honor Military and Police Who Have Been Wounded or Killed in Action

Roll Call

HEC Business

- Stormwater Management
- Stream Contamination
- Septic Systems Management

Planning Board

Barclay Square at Holmdel, Preliminary/Final Major Site Plan – Block 52, Lots 17 and 18

The site is located on Palmer Avenue between Route 35 and Middle Road/Main Street. Proposed construction of a one, 3-story apartment building over 1-story of structured parking, consisting of 60 residential apartment units with additional surface parking, stormwater management measures and utility facilities. The site will provide 116 parking spaces and water and sanitary for the building shall connect to existing public facilities. The stormwater management basin proposed is sized to accommodate flows from the developed area during the 2, 10 and 100-year storms. Though the total site contains 6.74 acres, the proposed disturbance for the project is 2.25 acres. The area of the proposed building is 0.57 acres with an additional 0.53 acres of new impervious area. The total area of new impervious surface is 1.10 acres.
